

Wire Shelving Systems

storage bins, racks & systems

Make organization Easy and more Efficient

- Build complete work cell systems
- Constructed from steel with a chrome finish for durability and strength
- Works with a variety of Akro-Mils storage products to organize parts or products and increase workspace efficiency
- Streamlines workflow and order picking

- Up to 28 system options for bin and shelf configurations!
- Six customizable shelf sizes available: 14" x 36", 18" x 36", 24" x 36", 18" x 48", 24" x 48" and 24" x 60"
- Wide variety of heights and styles: 63" upright with casters and 73" upright stand alone to fit all locations
- Open wire design minimizes dust collection and improves visibility for stored contents
- NSF Approved

accessories

Color Coding

Visual reference made simple! Color code work areas with Wire Shelving Systems for quick identification of stored items

Footplates

Steel tips on bottom of frames prevent movement of stationary units

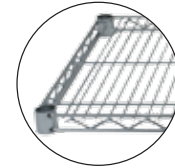

Locking Casters

Highly maneuverable, locking wheels create mobile or stationary units

Non-Locking Casters

Highly maneuverable, non-locking wheels create mobile units

Shelves

Adjustable to hold many Akro-Mils storage and organization products

Leveling Bolts

Screws securely into uprights to level shelf system on uneven surfaces

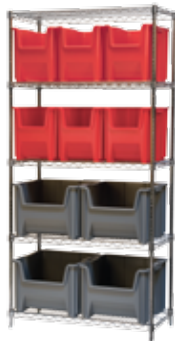

Shelf Bin Wire Systems

Sort Parts to Improve Efficiency

- Available with 12 Shelves
- Configure for 36, 48, 60 or 96 Bins
- Strong, polypropylene Shelf Bins outlast corrugated bins
- Shelf Bins, pg. 8

Stak-N-Store Wire Systems

Maximize Space Utilization

- Available with 5 Shelves
- Configure for 6, 8, 9 or 12 Bins
- Bins feature a wide hopper front for easy access – ideal for bulky items
- Stak-N-Store Bins, pg. 9

AkroBin® Wire Systems

Shorten Assembly Times

- Three sizes allow for a wide variety of Bin and Shelf configurations
- Durable AkroBins feature a curved-bottom hopper front, making it easy to retrieve small parts
- AkroBins, pg. 4

System Bin Wire Systems

Speed Set-Up & Organization

- Available with 11 Shelves
- Holds 10 System Bins
- Quickly organize with System Bins: one-piece, six-bin units
- System Bins, pg. 10

Akro-Grid Wire Systems

Improve Productivity

- Available with 7, 9 or 12 Shelves
- Configure for 24 or 36 Akro-Grids
- Versatile, work-in-process containers with optional dividers for compartments
- Akro-Grids, pg. 29

Quick-Adjust Clips
Securely attach the shelves to the frames. Clips lock into the frame trunk, and unlock to adjust shelves

Frames
Lightweight, yet strong metal framework secures the shelving in place

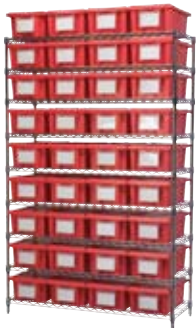

Easy Set-up
Durable, versatile Wire Shelving allows quick, one-person set-up and installation

Maximize Space Utilization

- Sort Parts to Increase Efficiency
- Shorten Assembly Times
- Improve Inventory Control
- Optimize Lean Practices
- Enhance Cleanliness

Nest & Stack Wire Systems

Simplify Workflow

- Available with 4 or 9 Shelves
- Configure for 12 or 36 Nest & Stack Totes
- Industrial-grade totes are ideal for transfer applications. Nest when empty. Optional tote lids protect contents from dust. Label Holders allow quick content ID
- Nest & Stack Totes, pg. 28

Straight Wall Container Wire Systems

Optimize Floor Space

- Configured with 6 Shelves
- Holds 12 Straight Wall Containers
- Containers available with smooth, solid sides or an open mesh pattern for high visibility and airflow
- Straight Wall Containers, pg. 31

VantageBin™ Wire Systems

Boost Organization

- Available with 11 Shelves
- Configure for 40 or 42 VantageBins
- Sturdy, functional bin customizable with up to 10 compartments to fit unique sizes of products
- VantageBins, pg. 12

Akro-Tub Wire Systems

Improve Inventory Control

- Available with 4 or 7 Shelves
- Configure for 12 or 24 Akro-Tubs
- Akro-Tubs feature extra-thick walls for strength. Rolled rims form comfortable handles
- Akro-Tubs, pg. 32

24" Super-Size AkroBin® Wire Systems

Increase Storage Capacity

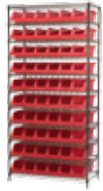

- Available with 3, 4 or 5 shelves that are 24" deep
- Combine with stackable Super-Size AkroBins to optimize spacing between shelves
- Configured for 24" Super-Size AkroBins
- Super-Size AkroBins, pg. 6

Bin color code: R=Red, B=Blue, Y=Yellow, GRN=Green, W=White, GRY=Gray, S=Stone, BK=Black, SC=semi-Clear. Specify one bin color when ordering.

Ideal For...

- Assembly Cells
- Tool Cribs
- Warehouses
- Distribution Picking
- Stockrooms

- Stationary units hold a maximum of 2,000 lbs. (910 kg)
- Mobile units with casters have a maximum load capacity of 900 lbs. (408 kg)
- Maximum weight capacity per shelf:
 - 48" or shorter = 800 lbs. (363 kg)
 - Longer than 48" = 600 lbs. (272 kg)
